### Words of LIFE

“TRUST in the LORD with ALL our heart...” says Proverbs 3:5. The word TRUST means to come up under the shadow of GOD’s wings. There is no safer place to be. TRUST GOD.

Forgiveness is Key to Life

In July I cancelled 2 weeks of meetings in Tasmania to return to South Africa. My daughter Tandy and my sister Janis were both car-jacked and robbed at gunpoint. I thank GOD that they were both unharmed and my heart goes out to those who have lost love ones to crime. I have missed much of Tandy’s key events in life and so GOD is just so amazing that when I returned to be with her, I was present when Tandy spoke at her first women’s meeting about a week after the car-jacking. I marvel at GOD’s goodness – what the enemy meant for evil, HE definitely turned it around for good. I received many emails of support and few phone calls saying that it was very encouraging that I was doing what I was preaching – that the family is the first church.

With John and Charelene Martins in Caroline Springs, Victoria. They were the senior pastors of the very first church I ministered in Australia in 1995 in Horsham. John then helped organize an itinerary for me which eventually opened doors in Australia. They are both full of life and continue to serve the Kingdom with passion. John’s faith in GOD is infectious.

God has placed several people around the world who are an important part of the ministry. They believe in the message of Restoration, and the healing of the broken-hearted and they do amazing work for the Kingdom, quietly behind the scenes. Lucille Dawkins here with her son Dave a youth pastor in Queensland, plans the itinerary for most of Australia and the US. GOD uses people like Lucille in Adelaide and my sister Sandra in Victoria to order our footsteps.

Australia

We met up with Pastor Mark Elmendorp and his wife Nina from Paradise Community Church in Adelaide. They continue to encourage us and open doors.

GOD blessed us and many others in Australia when Andrew and Ingrid Greeff traveled and ministered together with us for 5 weeks. We pray and look forward to ministering together with them again. It was 5 weeks of powerful and beautiful ministry as Andrew and Ingrid led worship in the meetings. We had so much joy ministering as a team, and endless laughs fellowshiping as we travelled.

Dedicating Mia Marrone, daughter of Dani and Tania Marrone, to our LORD

There was a silence that fell on Surf City Church during the Sunday evening service at the close of the meeting which must have lasted 20 mins or more – it was a beautiful and peaceful time in the presence of GOD.

With Andrew and Ingrid sharing and spending time with bible school students from Surf City Church in Surfers Paradise.

Practicing with Andrew. The time together in Australia allowed us to prepare for the new album. Andrew has produced and arranged all my albums.

Ministering for Pastors Richard and Helen Kobakian of LifeHOUSE Church in Melbourne at their Inside-Out Conference. We did lots of ministry in the state of Victoria this year even as other states in Australia are opening up.

Recording a new album in Port Elizabeth while in South Africa

Ministering for the “Keenagers” of South West Christian Church in Werribee, Melbourne. In GOD’s Kingdom, there is no retirement – we can all be used to impact and extend GOD’s Kingdom. Joshua was in his 80s when he led the children of Israel in crossing the Jordan to the Promised Land.

Having a feast in Singapore in my sister-in-law’s home – Chilli crabs!

At the Gateway International Church in Geelong, Melbourne pastored by Phil and Glenys Ward. I spoke at their “Closer” conference and also ministered for their Sunday services. Lives were touched and changed and we received good reports.

With Roy Brake. I use to minister with Roy and his wife Eleanor. We would travel from town to town, sometimes doing several meetings a day. Roy has boundless energy for GOD's Kingdom.

Practicing with Andrew and Ingrid in my sister's home in Horsham.

Taking a photo of Philip, my sister Sandra, her husband Kevin and Andrew and Ingrid – we're about to have a sea-food meal.

Here with Australian friends Tony and Helen – they have such hearts and gifting to minister and pray for the broken hearted.

Australia

We were asked to do a one-day leaders' training for pastors, chaplains and those involved in ministry. I ministered on "Spiritual Burnout" and also on "Existing or Living" while Andrew shared about the Heart of Worship and the need for worship leaders to be free to be led by the Holy Spirit.

With good friends Paul and Laureen Newsham, their sons Timothy and John Mark and their wives and children. On Father's Day this year, Paul, his son Timothy and grandson Jordan all preached together from the same pulpit. On right, ministering at Paul and Laureen's church in Gawler, South Australia.

At the "Inspire" Women's Conference in Romsey, Victoria.

We returned to minister in Balaklava, a little country town north of Adelaide.

Ministering at the Upper Room service for the Barker Road Methodist Church in Singapore.

Speaking at a Men's meeting in Springvale, Melbourne for the Lighthouse Christian Centre.

Doing a Restoration seminar for the Barker Road Methodist Church in Singapore

Steve and Jenny Mazey – we ministered for their church in Melbourne and they shared and taught us simple yet powerful things about spiritual fathers and sonship.

We met up with good friend Rosalind in Singapore and also with Pastor Lu and his family. Ps Lu ministers apostolically in Myanmar, Thailand and China and through Rosalind and us, has now formed a relationship with our home church in PE, South Africa.

The new worship album is called: *It Is Well – A Proclamation of Faith*. I wrote the song “It Is Well” while travelling on the road in the US early this year. Andrew penned in the music. We look forward to your support. I was really blessed to be able to spend 2 wks with my precious grand baby Lola and daughter Leigh in August.

Australia

In Adelaide we ministered for the Paradise Community Church – West, North and for the Paradise Seniors / Pillars pictured on right. On left with Pastor Andrew and Lorraine Evans.

Returning to minister for the refugee church in Adelaide.

After ministering for the Bethshan Christian Family in Townsville, Philip and I cooked dinner for Graham and Olwen Chigwidden and their musically gifted son Daniel and family and leaders. They enjoyed the chicken in sweet sauce the most.

Ministering at another men’s meeting – this was at the World Harvest Christian Church in Adelaide. It is always a privilege to be invited to minister at men’s mtgs.

Lots of new doors opened in Australia. We ministered for the 1st time in Mareeba, Townsville, Goondiwindi, Port Pierie, Barossa, Bendigo, Seymour, Weeribee and many more. Here I am with Pastor Daryl and Trish Roos and their leadership team of Abundant Life Centre in Mareeba – we had a great time and were treated to a day in the rain forest...and it rained, and we were drenched...it was just a lovely and special time.

In Horsham we were asked to do a home group for about 10 people. By the time we arrived for the meeting, it had been moved to a church where over 250 people turned up. What was really exciting was that there were people from several churches who showed up. We want to thank Pastor Simon of the Church of Christ in Horsham and to Karen Hinch for taking a step of faith and listening to GOD – it was a memorable nite.

Returning also to Caloundra to minister for Chris and Carol Peterson of Acts Church International. We ministered to the Worship Team, Pastoral Staff, Overcomers, Sunday Services, Youth and the Women.

Yet another meal. This time with my sister Sandra and ladies from Horsham – friends I have known over the years.

We went to minister in Goondiwindi for Pastors Ivan and Ross Waldock. We were instead ministered to and very blessed, and deeply touched – thank you LORD. Of course there were loads and loads of laughter. Philip is believing for impartation of 10% of Ivan’s energy level!

Singapore, Australia, Indonesia and USA

With good friend Donna Dubberly from Baxley, Georgia in the US. She has been a firm believer in the ministry through the years.

Doing a Restoration Conference in Singapore in early December for ELLCO, a Christian Women's organisation.

We were treated and served with a sumptuous meal together with some members of Hillside AOG Church in Adelaide. The leaders and pastors cooked and served us all.

Another close friend in Baxley, Georgia is Diana Highsmith – I have known Donna and Diana since 1994. Diana has helped minister to my loved ones when I couldn't reach them.

Ministering In Tasmania. Having lunch with old friends Bernie and Susie Hartog and Pastors Peter and Veronica Rowe. Bernie and Suzie travel and minister widely with FMI. Hoping that Bernie puts his life story in film or print – what a story!

We ended our time this year in Australia with ministry in the Barossa. It was the first time I had ever ministered there, and it was wonderful, and we've been asked to return soon.

At the Karobran New Life Centre – Drug and Alcohol Rehab.

Teen Challenge Chapel in Adelaide – Sunday Service

Returned to the Doulos Drug Rehab in Jakarta in Aug to spend time with the staff and leaders. They will be planning for prison ministry in Jakarta on our next visit. What an open door that will be. We were blessed to be able to do prison ministry in Australia in 2 maximum security prisons for men and women in September.

Women's Meeting for Living Faith CRC in Adelaide

Speaking at an outreach for South Africans in Hamilton, Victoria
